

Book with a holiday provider you can trust

For the past four decades, thousands of families have put their faith in us to deliver safe, enjoyable breaks... it's why a record 17,376 families returned to us in 2018.

Make sure your payment is secure

Every transaction on our website is secured by military grade encryption and we even ask guests to score the website booking experience, all their reviews are online.

Keep clear of hidden costs

It's the ultimate holiday mood killer, so when you book direct the price includes unlimited pools, sports & shows and booking fees, plus extras are clearly shown and optional.

Protect yourself against the unexpected

Booking ahead gives you something to look forward to, but make sure if things don't go to plan along the way it's covered; our Holiday Safeguard Scheme does just that!

Banish "computer says: No!"

Humans can change their mind, it's why if you prefer a different break after you've booked, you can transfer all you've paid to a new holiday up to 14 days before your original arrival date with our Holiday Safeguard Scheme.
